The SPOC will ensure that their auxiliary aids and services plan and auxiliary aids monitoring plan is updated as needed, with any updates communicated to the network management department. The SPOC will ensure that the Auxiliary Aids Services Plan is posted on Transpire Help's website.

The SPOC Job Description will be reviewed yearly and updated as needed.

This plan can be made available in alternative formats upon request.

Assessing for Communication Needs

At the initial point of contact, the Transpire Help SPOC or SPOC backup will be notified immediately. An assessment of communication needs will be conducted for all individuals or companions who are deaf or hard-of-hearing using the required Florida Department of Children and Families documents. The required documents will be completed at each interaction/service to the client or companion. The purpose of these tools is to facilitate the collection and coordination of auxiliary aids and services to meet the needs of Consumers or Companions who are deaf or hard-of-hearing.

Transpire Help will at all times recognize that the Consumer or Companion's preference is the primary consideration in determining what auxiliary aids or services to provide. If communication through a specific aid or service is deemed to be ineffective, the Transpire Help SPOC will assist the consumer or companion in determining a more effective aid or service for communication. Documentation shall be made in the consumer's file regarding the attempt to improve the effectiveness of auxiliary aids and services. Once the assessment is completed, the SPOC or assigned agency staff shall obtain auxiliary aids according to the communication and request for services assessment.

Provision of Interpreters/Services

At no time is it acceptable for staff to deny services to a Consumer without notifying the SPOC. If staff, based on the Communication Assessment results find that auxiliary aids or services are not essential, staff are to contact the SPOC. Additionally, if staff are unsure of how to proceed they are to immediately contact the Transpire Help SPOC at 561-812-2000.

Transpire Help staff shall provide interpreters for Consumers and Companions who are deaf or hard-of-hearing in a timely manner in accordance with the following standards:

For unscheduled emergency appointments, staff shall make an interpreter available as soon as possible, but in no case later than two (2) hours from the time the customer or companion or staff requests an interpreter, whichever is earlier. If the situation is not an emergency, staff shall offer to schedule an appointment and provide an interpreter for effective communication at the convenience of the Consumer or Companion, or at least by the next business day.

For scheduled events, staff shall make a qualified interpreter available at the time of the scheduled appointment. If an interpreter fails to appear for the scheduled appointment, staff shall take whatever additional actions are necessary to make a qualified interpreter available to the Consumer or Companion who is deaf or hard-of-hearing as soon as possible, but in no case later than two (2) hours after the scheduled appointment. The Transpire Help SPOC shall be notified immediately, in the event a scheduled interpreter fails to appear.

Verification of certification must be obtained from all providers of Interpretation Services.

All auxiliary aids services equipment will be inspected yearly, or more, as needed. Equipment will be repaired or replaced as needed.
